Experience

January 2023 - May 2024
FINRA, Rockville, MD - *Senior UX Designer*
Currently designing regulatory tools for FINRA's analysts to help them assess a firm's risk to the greater market, target fraudulent activity, and promote investor integrity

March 2021 - December 2022
Career Break - *Personal Growth*
Took a year and a half to explore a graduate degree in social work and start a family

March 2021 - May 2021
Microsoft, Washington, DC - *Senior Designer*
Designed new collaboration and canvas experiences for Microsoft's Fluid Framework

April 2018 - February 2021
Microsoft, Redmond, WA - *UX Designer II*
Conducted customer research, branding, and strategy for Microsoft Fluid Framework

August 2016 - April 2018
Microsoft, Redmond, WA - *UX Designer I*
Worked closely with eight different teams across Microsoft to design and implement a coherent commenting experience in Word, Excel, and PowerPoint across all devices

February 2021 - January 2022
Make-A-Wish Foundation, Washington, DC - *Wish Granter*
Volunteered to help conduct interviews with children and families to learn about the child's desired wish and help bring it to life

January 2017 - July 2017
Friend to Friend America, Seattle, WA - *Community Volunteer*
Befriended a senior at Washington Care Center in Seattle to provide companionship and help treat loneliness in nursing homes
